

Himalaya Five Peaks Technical Climbing Course

TRIP OUTLINE

The best value for your money to do a technical mountaineering course that is instruct and led by IFMGA/NNMGA certified mountain Guide, with trekking and the ascent of five Himalayan peaks thrown in! It allow participants to learn rock, snow and ice climbing as well as crevasse rescue, navigation and rope work.

The course is aimed at climbers with basic mountaineering or trekking experience, but we also hold a mountaineering skills seminar for less experienced participants during early stage. Our climbing on this expedition include Island Peak (6,189m), Mehra (5,820m) and Lobje East(6,100m).
