

Bhote Village with Makalu Base Camp Trekking

TRIP OUTLINE

Bhote village is remote area in Nepal, located along Tibet border, with multiple ethnic groups. Because this was restricted area and newly open for tourists, take the chance to be the one to experience the unique religions and cultures first-hand!

Bhote Village is very remote and daily life is mostly still. But you will experience many unique religion and cultures firsthand. Along the way we see up close views of Mt Makalu (5th highest mountain) and Kanjanjunga (3rd highest mountain) and many more.
